# 1. Introduction

## 1.1 Background

1.1.1 NHS England has set out the following as the four core purposes of Integrated Care Systems:

- a) improve outcomes in population health and healthcare
- b) tackle inequalities in outcomes, experience and access
- c) enhance productivity and value for money
- d) help the NHS support broader social and economic development.

The Integrated Care Board will use its resources and powers to achieve demonstrable progress on these aims, collaborating to tackle complex challenges, including:

- improving the health of children and young people
- supporting people to stay well and independent
- acting sooner to help those with preventable conditions
- supporting those with long-term conditions or mental health issues
- caring for those with multiple needs as populations age
- getting the best from collective resources so people get care as quickly as possible.

1.1.2 NHS Bristol, North Somerset and South Gloucestershire Integrated Care Board serves a population of approximately one million people living within distinct and different communities. The Integrated Care Board brings together the wider partnership of health and care organisations that have come together to plan and deliver joined up services and improve the health and wellbeing of people who live within Bristol, North Somerset and South Gloucestershire.

## 1.2 Name

1.2.1 The name of this Integrated Care Board is NHS Bristol, North Somerset and South Gloucestershire Integrated Care Board (“the ICB”).

## 1.3 Area Covered by the Integrated Care Board

1.3.1 The area covered by the ICB is coterminous with the local government areas of the City of Bristol, District of North Somerset and District of South Gloucestershire. The ICB is responsible for both the registered and the non-registered population within this geographical area.

## 1.4 Statutory Framework

1.4.1 The ICB is established by order made by NHS England under powers in the 2006 Act.

- 1.4.2 The ICB is a statutory body with the general function of arranging for the provision of services for the purposes of the health service in England and is an NHS body for the purposes of the 2006 Act.
- 1.4.3 The main powers and duties of the ICB to commission certain health services are set out in sections 3 and 3A of the 2006 Act. These provisions are supplemented by other statutory powers and duties that apply to ICBs, as well as by regulations and directions (including, but not limited to, those made under the 2006 Act).
- 1.4.4 In accordance with section 14Z25(5) of, and paragraph 1 of Schedule 1B to, the 2006 Act the ICB must have a constitution, which must comply with the requirements set out in that Schedule. The ICB is required to publish its Constitution (section 14Z29). This Constitution is published at [www.bnssg.icb.nhs.net](http://www.bnssg.icb.nhs.net).
- 1.4.5 The ICB must act in a way that is consistent with its statutory functions, both powers and duties. Many of these statutory functions are set out in the 2006 Act but there are also other specific pieces of legislation that apply to ICBs. Examples include, but are not limited to, the Equality Act 2010 and the Children Acts. Some of the statutory functions that apply to ICBs take the form of general statutory duties, which the ICB must comply with when exercising its functions. These duties include but are not limited to:
- a) Having regard to and acting in a way that promotes the NHS Constitution (section 2 of the Health Act 2009 and section 14Z32 of the 2006 Act);
  - b) Exercising its functions effectively, efficiently and economically (section 14Z33 of the 2006 Act);
  - c) Duties in relation children including safeguarding, promoting welfare etc (including the Children Acts 1989 and 2004, and the Children and Families Act 2014)
  - d) Adult safeguarding and carers (the Care Act 2014)
  - e) Equality, including the public-sector equality duty (under the Equality Act 2010) and the duty as to health inequalities (section 14Z35); and
  - f) Information law, (for instance, data protection laws, such as the UK General Data Protection Regulation 2016/679 and Data Protection Act 2018, and the Freedom of Information Act 2000).
  - g) Provisions of the Civil Contingencies Act 2004
- 1.4.6 The ICB is subject to an annual assessment of its performance by NHS England which is also required to publish a report containing a summary of the results of its assessment.

- 1.4.7 The performance assessment will assess how well the ICB has discharged its functions during that year and will, in particular, include an assessment of how well it has discharged its duties under—
- a) section 14Z34 (improvement in quality of services),
  - b) section 14Z35 (reducing inequalities),
  - c) section 14Z38 (obtaining appropriate advice),
  - d) section 14Z40 (duty in respect of research)
  - e) section 14Z43 (duty to have regard to effect of decisions)
  - f) section 14Z45 (public involvement and consultation),
  - g) sections 223GB to 223N (financial duties), and
  - h) section 116B(1) of the Local Government and Public Involvement in Health Act 2007 (duty to have regard to assessments and strategies).
- 1.4.8 NHS England has powers to obtain information from the ICB (section 14Z60 of the 2006 Act) and to intervene where it is satisfied that the ICB is failing, or has failed, to discharge any of its functions or that there is a significant risk that it will fail to do so (section 14Z61).

## **1.5 Status of this Constitution**

- 1.5.1 The ICB was established on 1<sup>st</sup> July 2022 by The Integrated Care Boards (Establishment) Order 2022, which made provision for its Constitution by reference to this document.
