GENERAL PRACTICE
FORWARD VIEW

Releasing Capacity in General Practice

**Bristol, North Somerset and South
Gloucestershire showcase event**

Date: Thursday 20th September 2018

Time: 12:00 lunch, programme: 13:00 – 17:00

**Venue: Weston Winter Gardens, Royal Parade, Weston-
super-Mare, BS23 1AJ**

An energising workshop sharing practical ideas to release time for care. You will hear about how local practices and practices from around England are freeing up time and developing themselves, explore the practicalities of making changes yourself, and consider together how you want to sustain and improve care in collaboration.

Hosted by BNSSG CCG
with NHS England's National General Practice Development Team

Releasing capacity in general practice

BNSSG Showcase

Showcasing practical approaches to managing workload, improving care and building a sustainable future for primary care. Learn how other practices are releasing time for care. Develop your own plans for the future.
