Do you use British Sign Language (BSL)?

Visit www.signsolutions.uk.com/contact-sign-language-interpreter and enter the number you wish to call. A BSL interpreter will then make the onward call and interpret your conversation in real time.

COVID-19 information

Prevent the spread

- Wash your hands with soap and water often – do this for at least 20 seconds
- Use hand sanitiser gel if soap and water are not available
- Wash your hands as soon as you get home
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- Put used tissues in the bin immediately and wash your hands afterwards

Do not leave home
if you or someone you
live with has either:

- A high temperature
- A new, continuous
cough

If you have symptoms,
visit www.111.nhs.uk
or call 111 for advice.
