

# LUNCHTIME SEMINAR

More than a medical symptom: the  
need for holistic care of breathlessness

Facilitated by:

Professor Havi Carel, Dr James Dodd, Kate Binnie, Dr Coreen McGuire, Dr Alice Malpass  
Wellcome Trust 'Life of Breath' project

The seminar will feature the Life of Breath project, a five-year Wellcome-funded multidisciplinary research project, studying the experience of breathing and breathlessness.

Researchers from medical anthropology, philosophy, history and palliative care will talk about their research and the ensuing policy recommendations.

Conference room, 4th Floor  
South Plaza, Bristol, BS1 3NX
