**Subject:** Non-NHS Provider Contracts

QUESTION	RESPONSE
<p>I would like to be informed of all the contracts between your Integrated Care Board and all non-NHS providers for health, mental health, children's services, and social care services in your ICS area, including the start and end dates of the contracts. I realise that some of this information will be held by the councils within your ICB area, so I need only the part of that information that you hold.</p> <p>This information should include contracts that have been inherited by the ICB from the previous CCG(s) that had commissioning duties in the area until the 1st of July. And for the purposes of this FOI request, "NHS providers" are NHS Trusts and Foundation Trusts, which means that by non-NHS providers I mean private companies, charities, social enterprises, etc.</p>	<p>Due to the transition from Bristol, North Somerset and South Gloucestershire Clinical Commissioning Group (BNSSG CCG) to Bristol, North Somerset and South Gloucestershire Integrated Care Board (BNSSG ICB), the Contract Register was reviewed and as per our standard operating procedure continues to be updated. Currently the contract register is being finalised with the latest information and therefore is not publicly available at present.</p> <p>BNSSG ICB is expecting to publish the ICB Contract Register in late August/Early September.</p>
