Subject: GP Practices and Provider/Operator Names

*I can confirm that the ICB **does hold the information requested**; please see responses below:*

QUESTION	RESPONSE
If available, please list all the individual GP practices within your ICB, including the the provider / operator of the practice (e.g. Lakeside, Operose etc), the patient list sizes and the provider / operator of the practice.	Please see enclosed spreadsheets showing Practice and Provider information and Practice list sizes. Please note: where numbers of patients are less than 10 they have not been included as this could potentially make the individuals identifiable. FOI requests and responses are publicly available and therefore reference to personal identifiable data has been redacted. The ICB has applied the Section 40 (Personal data) exemption to any data which identifies patients. The data requested constitutes health related records and therefore the ICB is unable to disclose this data.

The information provided in this response is accurate as of 8 February 2023 and has been approved for release by David Jarrett, Director of Integrated and Primary Care for NHS Bristol, North Somerset and South Gloucestershire ICB.
