

**Reference:** FOI.ICB-2223/183

**Subject:** Cardio/Respiratory Lead(s) & Community Diagnostic Centres

*I can confirm that the ICB does hold some of the information requested; please see responses below:*

QUESTION	RESPONSE
<p>We would be keen to engage with the ICB on this and therefore I would like to submit a FOI request to ask for the name and email address for the person(s) or team responsible for;</p> <p>I. Cardio- respiratory pathways (likely to be a clinical or business lead)? and</p> <p>II. Community diagnostic centres (CDC's) for the region?</p> <p><b>Clarification received 01/02/2023:</b> I would like to know the regional contact to both questions. If the regional contact is different to the ICB lead, then confirming the ICB lead would also be useful.</p>	<ul style="list-style-type: none"><li>• The regional lead for Cardiology / respiratory and CDCs is NHS England. Details of how to contact NHS England can be found via the following link: <a href="https://www.england.nhs.uk/contact-us/foi/">https://www.england.nhs.uk/contact-us/foi/</a></li><li>• The ICB contact for Cardiology / respiratory is Louise Rickitt</li><li>• The ICB contact for CDCs is Caroline Dawe</li></ul> <p>Enquiries for the ICB should be sent to: <a href="mailto:bnssg.plannedcareperformance@nhs.net">bnssg.plannedcareperformance@nhs.net</a></p>

***The information provided in this response is accurate as of 13 February 2023 and has been approved for release by Lisa Manson, Director of Performance and Delivery for NHS Bristol, North Somerset and South Gloucestershire ICB.***
