

**Reference:** FOI.ICB-2223/190

**Subject:** Community Health Services; Independent Sector Providers

*I can confirm that the ICB **does hold the information requested**; please see responses below:*

QUESTION	RESPONSE								
<p>We wanted to ask whether you are able to provide any information on the composition of services outsourced to independent sector providers.</p> <p>We are particularly interested to know whether there are types of community health services that are purely provided by NHS Trusts and others that are mostly provided by ISPs.</p> <p>This query relates to the production of a set of official statistics published by the Office for National Statistics called the UK health accounts, where CCG/ISB spending on healthcare provided by independent sector providers is currently a data gap in our analysis of healthcare spending by type and provider. If anyone would be able to chat with us around this that would be very helpful to help us get an idea of how best to allocate expenditure.</p>	<p><b>IS Providers of Secondary Care – Elective &amp; Endoscopy</b> <i>These are Acute Services delivered in a Community Setting</i></p> <table border="1" data-bbox="1099 791 2083 1286"> <thead> <tr> <th data-bbox="1099 791 1426 831">Provider</th> <th data-bbox="1426 791 1803 831">Specialities</th> <th data-bbox="1803 791 2083 831">Contract Value</th> </tr> </thead> <tbody> <tr> <td data-bbox="1099 831 1426 1286">PPG</td> <td data-bbox="1426 831 1803 1286"> <ul style="list-style-type: none"> <li>• ENT</li> <li>• Oral Surgery</li> <li>• General Surgery</li> <li>• Gynaecology</li> <li>• Orthopaedics</li> <li>• Ophthalmology</li> <li>• Oral Surgery &amp; Maxillofacial</li> <li>• Urology</li> <li>• Gastroenterology including Endoscopy</li> </ul> </td> <td data-bbox="1803 831 2083 1286">Zero value</td> </tr> </tbody> </table>			Provider	Specialities	Contract Value	PPG	<ul style="list-style-type: none"> <li>• ENT</li> <li>• Oral Surgery</li> <li>• General Surgery</li> <li>• Gynaecology</li> <li>• Orthopaedics</li> <li>• Ophthalmology</li> <li>• Oral Surgery &amp; Maxillofacial</li> <li>• Urology</li> <li>• Gastroenterology including Endoscopy</li> </ul>	Zero value
