

Reference: FOI.ICB-2223/247

Subject: GP Practice Closures/Mergers since 2010

*I can confirm that the ICB **does hold the information requested**; please see responses below:*

QUESTION	RESPONSE
<p>Please could you inform me of the Location ODS, names and dates of practices which have closed or merged within your authority, between the period of 2010 and current.</p> <p>Please could you specify whether the practice merged or whether the practice closed. If the practice merged, please could you specify the date this came into operation, whether the practice became a branch surgery, and the name of the other practice(s) that the practice merged with. If possible, please could this be provided in excel format.</p>	<p>Please refer to enclosed document.</p>

The information provided in this response is accurate as of 9 May 2023 and has been approved for release by David Jarrett, Director of Integrated and Primary Care for NHS Bristol, North Somerset and South Gloucestershire ICB.
