QUESTION	RESPONSE
<p>I'm looking to get raw data on mental health services provided by your ICB and which postcodes each individual service covers.</p> <p>If services are dependent on a person's GP as opposed to the service user's postcode, I would like to know a list of GP practices covered by each mental health service.</p> <p>If you could please either provide the data to me or provide a pathway whereby I can get this data, it would be very much appreciated.</p>	<p>All commissioned services are dependent on the service users registered GP. Access to NHS Mental Health Services cannot be provided based on post codes.</p> <p>Please see enclosed document for a list of Mental Health Services in BNSSG and the area they are allocated to, as well as a list of BNSSG Primary Care Networks and their GP surgeries.</p>
