Subject: Local Treatment Guidelines for Idiopathic Pulmonary Fibrosis

*I can confirm that the ICB **does not hold the information requested**; please see responses below:*

QUESTION	RESPONSE
<p>Does NHS Bristol, North Somerset and South Gloucestershire ICB have any local treatment guidelines, pathways or protocols for the treatment of Idiopathic pulmonary fibrosis? Yes/no. If yes, please provide a copy.</p>	<p>BNSSG ICB does not have any local treatment guidelines, pathways or protocols for the treatment of idiopathic pulmonary fibrosis. This query should be redirected to the Bristol Interstitial Lung Disease Service at North Bristol NHS Trust (NBT). https://www.nbt.nhs.uk/about-us/information-governance/freedom-information/request-information</p> <p>The locally approved drugs for use in Interstitial Lung Disease are detailed on the publicly accessible BNSSG Joint Formulary Page and will be in line with NICE Technology Appraisals. https://remedy.bnssg.icb.nhs.uk/formulary-adult/chapters/3-respiratory-system/35-interstitial-lung-disease/</p>

The information provided in this response is accurate as of 18 April 2023 and has been approved for release by Dr Joanne Medhurst, Chief Medical Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
