QUESTION	RESPONSE
<p>1. What criteria did Bristol, North Somerset and South Gloucestershire ICS use to decide on the specific procedures, methodologies and equipment that would be used to complete the surgeries delivered by the surgical hubs commissioned by the Integrated Care System?</p>	<p>BNSSG (Bristol, North Somerset and South Gloucestershire) does not have a surgical hub, therefore BNSSG ICB is not able to answer these questions.</p>
<p>2. What public and patient consultation did Bristol, North Somerset and South Gloucestershire ICS carry out surrounding the specific procedures, methodologies and equipment that would be used to complete the surgical interventions delivered by the surgical hubs commissioned by the Integrated Care System; and can the ICS share any assessment, analysis or reporting done following this consultation?</p>	
<p>3. What discussions or analysis has Bristol, North Somerset and South Gloucestershire ICS had or conducted on the need to adjust the way surgeries are delivered by the surgical hubs commissioned by the ICS, to make the delivery more efficient; and can the ICS share minutes of any discussion, or a copy of any analysis conducted?</p>	

<p>4. Which specific procedures are conducted by Healthcare Professionals within each surgical intervention available in the surgical hubs commissioned by Bristol, North Somerset and South Gloucestershire ICS; and b) can the ICS provide a list of any applicable NICE Guidance followed within the surgeries carried out in the surgical hubs commissioned by Bristol, North Somerset and South Gloucestershire ICS?</p>
