

Reference: FOI.ICB-2324/148

Subject: analogue telephony systems.

I can confirm that the ICB does hold the information requested; please see responses below:

QUESTION	RESPONSE
Can you please advise which GP practices within your region are still using analogue telephony systems.	There are no GP practices still using analogue telephony.

The information provided in this response is accurate as of 13th July 2023 and has been approved for release by Dave Jarrett, Director of Integrated and Primary Care for NHS Bristol, North Somerset and South Gloucestershire ICB.
