Subject: Ethnicity Data for the Population

I can confirm that the ICB does not hold the information requested; please see responses below:

QUESTION	RESPONSE
I was wondering if you had any data that includes the ethnicity of the population categorised by postcode?	The ICB does not hold the requested information. For ethnicity data by small geographic area the Office for National Statistics have the best data to the lowest geographic area. The data is publicly available: https://www.ons.gov.uk/peoplepopulationandcommunity/culturalidentity/ethnicity

The information provided in this response is accurate as of 27 July 2023 and has been approved for release by Dr Joanne Medhurst, Chief Medical Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
