Subject: Provider Collaboratives

*I can confirm that the ICB **does hold the information requested**; please see responses below:*

QUESTION	RESPONSE
<p>Context: Provider Collaboratives across the country vary in composition. I am aware of the policy related to this that mandates membership by Acute and Mental Health NHS Trust/Foundation Trusts, and the fluid nature of some arrangements.</p> <p>Specific information requested:</p> <p>1. Please name the current Provider Collaboratives within your ICB</p> <p>2. Where possible, please identify the areas of focus for Provider Collaboratives within your ICB e.g. if the alignment is a patient-related theme such as cancer services or maternity rather than geographical alignment</p>	<ol style="list-style-type: none">1. GP Collaborative Board2. General Practice

The information provided in this response is accurate as of 11 August 2023 and has been approved for release by Dave Jarrett, Director of Integrated and Primary Care for NHS Bristol, North Somerset and South Gloucestershire ICB.
