QUESTION	RESPONSE
In particular, I have information that the practices listed below closed due to contractual mergers between 2016 and 2019 but I have no information regarding which practice(s) took up the services of each and every closed practice.	
I would be grateful if you could provide me with the name and practice code which merged with or took up the services of each of the following practices:  L85005 L85060 L85608 L85620  I am aware these mergers took place in the former CCGs which had commissioning responsibilities for these practices.	These GP Practices are situated in the Somerset area. Please contact Somerset ICB who may hold the information:  <a href="https://nhssomerset.nhs.uk/contact-us/freedom-of-information/">https://nhssomerset.nhs.uk/contact-us/freedom-of-information/</a>
