I would like to know which practices merged with each of the listed practices below or which practice took up the services of the listed practice below after the listed practice closed.	
I would be grateful if you could provide me with the name and practice code which merged with or took up the services of each of the following practices: L81056 L81060 I am aware these mergers took place in the former CCGs which had commissioning responsibilities for these practices.	L81056 Long Ashton Surgery, and L81060 Backwell Medical Centre are now both operated by L81034 Tyntesfield Medical Group.

The information provided in this response is accurate as of 20 September 2023 and has been approved for release by David Jarrett, Director of Integrated and Primary Care for NHS Bristol, North Somerset and South Gloucestershire ICB.
