QUESTION	RESPONSE
<p>Thank you for publishing your entity's expenditure data on your website (found here): https://bnssg.icb.nhs.uk/library/?keywords=spend&start_date&end_date&orderby&order</p> <p>However, I am currently unable to find details on spending for specific periods of time, particularly for the now historic CCGs that merged to form Bristol, North Somerset and South Gloucestershire CCG in 2018, and later your entity in July 2022. For this reason, I would like to use the Freedom of Information Act to request all expenditure data over £25,000 for the following periods and CCGs:</p> <ol style="list-style-type: none">1. Bristol CCG: January 2016 to February 20182. South Gloucestershire CCG: January 2016 to February 20183. North Somerset CCG: January 2016 to February 2018 <p>Please can you provide the data in a machine readable format, such as a CSV.</p>	<p>Following the merger of the three separate CCGs in 2018, and then the formation of the ICB in July 2022, only some of the data has been transferred over. This information would have been available on the CCG website at the time; however this has since been moved to The National Archives.</p> <p>Please find attached the data for Bristol CCG.</p> <p>It may be possible to navigate through the National Archives website for the relevant documents for North Somerset CCG and South Gloucestershire CCG, the following link will take you to the BNSSG CCG library page, which includes all the documents that were published on the CCG website: https://webarchive.nationalarchives.gov.uk/ukgwa/20200724184827/https://www.bnssgccg.nhs.uk/library/</p>

The information provided in this response is accurate as of 6 October 2023 and has been approved for release by Sarah Truelove, Deputy Chief Executive and Chief Finance Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
