

Reference: FOI.ICB-2324/308

Subject: OOA and DTOC Follow-up

I can confirm that the ICB does not hold the information requested; please see responses below:

QUESTION	RESPONSE
<p>As a follow up to my research, may you kindly provide the number of out-of-area (OOA) placements as well as the number of people with a delayed transfer of care (DTOC) in an in-patient setting for the following conditions:</p> <p>I have attached an Excel document that details the information I am looking to obtain and explains what defines out-of-area (OOA) placements and a delayed transfer of care (DTOC). I would like to know the current total number of people for both OOA and DTOC in each of the conditions listed above.</p>	
<p>Mental Health (MH) conditions – Patients in a rehab and recovery unit inpatient bed</p>	<p>BNSSG ICB does not hold this information. rehab and recovery unit inpatient beds are provided by Avon and Wiltshire Mental Health Partnership NHS Trust (AWP). Please contact them directly: awp.freedomofinformation@nhs.net https://www.awp.nhs.uk/contact-us/freedom-information</p>
<p>Neuropsychiatry (NP) disorders – Patients in a specialist neuropsychiatry inpatient bed.</p>	<p>BNSSG ICB does not hold this information. Specialist Neuropsychiatry is commissioned by NHS England. Please contact NHS England directly: nhsi.foi@nhs.net</p>
<p>Acquired Brain Injuries (ABI) condition – Patients in a level-3 neuro-rehab facility in-patient bed.</p>	<p>BNSSG ICB does not hold some of this information. Level 1 and 2A inpatient beds are commissioned by NHS England. Please contact NHS England directly: nhsi.foi@nhs.net</p>

**Bristol, North Somerset
and South Gloucestershire**
Integrated Care Board

	Level 3 beds are non-specialist rehabilitation beds and are commissioned by community services.
