| Project name | Team leading processing | Purpose of processing | Joint Controller | Extracted level of data | Categories of organisations other than the ICB receiving data | Local Authority data (excluding the Adult social care commissioning dataset) included | Project start date | Retention schedule (for projects involving partners outside the ICB) | Access requested | Link to project summary/ outputs | Notes |
|---|---|---|---|---|---|---|---|---|---|---|---|
| Muskoskeletal Pathway Evaluation | BNSSG Business Intelligence | Commissioning | NHS D | Pseudonymised patient level | N/A | | 18/06/2021 | | One-off | | |
| Community Mental Health Framework | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 18/06/2021 | | One-off | | |
| ExploreR | BNSSG Business Intelligence | Population Health Management | NHS D | PCN | N/A | | 18/06/2021 | | On-going | | |
| End of Life Programme Baseline and Planning | BNSSG Business Intelligence | Commissioning | NHS D | Pseudonymised patient level | N/A | | 01/10/2021 | | On-going | | |
| Predicting unplanned intensive care admission | University of Bristol Data science and AI | Population Health Management | NHS D | Pseudonymised patient level | Universtiy of Bristol | | 15/10/2021 | 01/01/2025 | One-off | | |
| National Diabetes Prevention Programme framework 3, re-procurement | BNSSG Business Intelligence | Commissioning | N/A | LA and ICS | N/A | | 21/10/2021 | | One-off | | |
| CCG flu vaccine take-up | BNSSG Business Intelligence | Population Health Management | N/A | Pseudonymised patient level | N/A | | 23/10/2021 | | On-going | | |
| ReSPECT (Recommended Summary Plan for Emergency Care and Treatment) | University of Bristol, Centre for Academic Primary Care | Population Health Management | NHS D | Pseudonymised patient level | Universtiy of Bristol | | 04/11/2021 | 03/03/2023 | One-off | | |
| Reducing AMR catheter associated urinary tract infections and associated urosepsis: identifying modifiable community risk factors | University of Bristol, Population Health Sciences, Antimicrobial Resistance Group | Population Health Management | NHS D | Pseudonymised patient level | Universtiy of Bristol | | 04/11/2021 | 21/05/2023 | One-off | | |
| Covid vaccine interventions for targeted populations | University of Bristol NIHR ARC West | Population Health Management | NHS D | Pseudonymised patient level | Universtiy of Bristol | | 13/11/2021 | 28/02/2023 | One-off | | |
| Urgent Care System Flow | BNSSG Modelling and Analytics | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 16/12/2021 | | On-going | | |
| Ageing Well | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 18/12/2021 | | One-off | | |
| AMR Risk factors in Cdiff infections | University of Bristol, Population Health Sciences, Antimicrobial Resistance Group | Population Health Management | NHS D | Pseudonymised patient level | Universtiy of Bristol | | 23/09/2022 | 31/05/2023 | One-off | | |
| Covid-19 Mapping and Mitigation in Schools | University of Bristol, Centre for Academic Primary Care | Population Health Management | NHS D | Pseudonymised patient level | Universtiy of Bristol | Local Authority Data used | 03/06/2022 | 30/06/2022 | One-off | | NHS D and IGARD refused to release data they were joint controllers of for this project. Project scope was amended accordingly. |
| Hypertension and inequalities | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 28/04/2022 | | One-off | | |
| Maternity equity and equality action plan | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 10/03/2022 | | One-off | | |
| Identifying health Inequalities within Mental Health Crisis pathways | BNSSG BI for Contracts and Commissioning | Commissioning | NHS D | Pseudonymised patient level | N/A | | 13/05/2022 | | One-off | | |
| Understanding chronic pain across our population | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 12/07/2022 | | One-off | | |
| Variation in survival after lung cancer diagnosis | BNSSG Research and clinical effectivness | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 13/05/2022 | | One-off | | |
| Improving Patient Flow Between Acute, community & Social Care (IPACS) | University of Bristol Applied Health Data Science | Population Health Management | NHS D | Pseudonymised patient level | Universtiy of Bristol | | 07/06/2022 | 31/03/2024 | One-off | | |
| What has the differential impact of COVID been on bowel screening uptake across BNSSG by geography, health status and demographic characteristics? | BNSSG Modelling and Analytics | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 20/07/2022 | | One-off | | |
| Ageing Well: Dementia | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 12/07/2022 | | On-going | | |
| Ageing Well: Population Segmentation | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 14/07/2022 | | On-going | | |
| Carers review | BNSSG BI for Contracts and Commissioning | Commissioning | NHS D | Pseudonymised patient level | N/A | | 05/08/2022 | | One-off | | |
| HealthierTogether at Home impact support | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 30/07/2022 | | One-off | | |
| Shared Care Planning Training – Ageing Well Pilot in Yate and Frampton PCN | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | Local Authority Data used | 18/08/2022 | | On-going | | |
| Understanding winter pressures and cost-of-living impacts (22/23) | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 10/10/2022 | 30/04/2023 | One-off | | Not a data destruction notice as such but given the structure of the request it is time limited |
| SMI - Health Inequalties | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 10/10/2022 | | On-going | | |
| Diabetes analysis | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 10/10/2022 | | One-off | | |
| Drug and Alcohol Needs Assessment | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 22/10/2022 | | One-off | | |
| Covid Medicines Delivery Unit (CMDU) service | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 22/10/2022 | | One-off | | |
| Homeless service - Link Team Service Evaluation | BNSSG BI for Contracts and Commissioning | Commissioning | NHS D | Pseudonymised patient level | N/A | | 17/12/2022 | | One-off | | |
| North and West locality project to reduce use of unplanned care | BNSSG Business Intelligence | Commissioning | NHS D | Pseudonymised patient level | N/A | | 27/01/2023 | | One-off | | |
| Chest pain pathway evaluation | University of Bristol, Centre for Academic Primary Care | Commissioning | NHS D | Pseudonymised patient level | Universtiy of Bristol | | 30/03/2023 | 31/10/2023 | One-off | | |
| BNSSG Integrated Immunisations Programme | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 30/03/2023 | | On-going | | 12 month project initially. So time limited access |
| Cancer Treatments for People with Learning Disabilities | BNSSG Business Intelligence | Commissioning | NHS D | Pseudonymised patient level | N/A | | 27/04/2023 | | One-off | | |
| IBD optimisation project | BNSSG Business Intelligence | Commissioning | NHS D | Pseudonymised patient level | N/A | | 05/05/2023 | | One-off | | |
| IMHT and ARRS system outcome measures | BNSSG Business Intelligence | Commissioning | NHS D | Pseudonymised patient level | N/A | | 11/10/2023 | | One-off | | |
| Technology enabled care | BNSSG Business Intelligence | Commissioning | NHS D | Pseudonymised patient level | N/A | | 11/10/2023 | | One-off | | |
| Chronci Pain population analysis | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 19/10/2023 | | One-off | | |
| Frailty ACE evaluation | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 19/10/2023 | | One-off | | |
| Funded Care - Learning Disability and Autism cohort analysis | BNSSG Business Intelligence | Commissioning | NHS D | Pseudonymised patient level | N/A | | 17/11/2023 | | One-off | | |
| Understanding winter pressures and cost-of-living impacts (23/24) | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 22/12/2024 | 30/04/2024 | One-off | | Not a data destruction notice as such but given the strucutre of the request it is time limited |
| PCN profiles | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 05/01/2024 | | One-off | | These would be a one-off to start, and if certain PCNs wish to receive updates they can request them. |
| Parkinson's Disease Population Health Management Analysis | BNSSG Business Intelligence | Population Health Management | NHS D | Pseudonymised patient level | N/A | | 05/01/2024 | | One-off | | |
