Subject: Children on Dynamic Support Register living in Hospital

I can confirm that the ICB does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
<ol style="list-style-type: none"> 1. How many Dynamic Support Registers does your ICB have and which areas do they cover? 2. Do you delegate responsibility for the management of Dynamic Support Registers? If you do can you provide the name of the organisations you delegate this responsibility to for each area? 3. <ol style="list-style-type: none"> a) Do you have children under 18 living in hospital on your Dynamic Support Register/s? b) How many children aged under 18 do you have on your Dynamic Support Register or Registers who are living in hospital? 4. How many of these children have a C(E)TR? 5. How many of these children have a young people's Keyworker? 	<ol style="list-style-type: none"> 1. At the current time there are separate adult and Children's Dynamic Support Registers in BNSSG (Bristol, North Somerset and South Gloucestershire). The BNSSG system currently has 1 x Children's (0 - 18) Dynamic Support Register. This is currently populated by AWP (Avon and Wiltshire Mental Health Partnership NHS Trust) CAMHS only. This covers all AWP CAMHS teams across CYP from across Bristol, North Somerset and South Gloucestershire. 2. BNSSG currently delegate the responsibility for managing the CYP Dynamic Support Register to AWP CAMHS. This will change as Dynamic Support Register is developed and becomes a system wide register. 3. <ol style="list-style-type: none"> a) BNSSG have 86 children and young people (under 18) rag rated as red on the Dynamic Support Register across BNSSG. b) The number of patients is less than 10; therefore they have not been included as this could potentially make the patients identifiable.

<p>6. How many C(E)TRs include a response to CETR principle and standard 7.5 where “long term planning to support discharge (e.g. housing or where bespoke care packages may be required) is being considered..”</p> <p>7. Who is the lead commissioner for the DSR (job title, name and contact detail if possible).</p>	<p>4. The number of patients is less than 10; therefore they have not been included as this could potentially make the patients identifiable.</p> <p>5. The number of patients is less than 10; therefore they have not been included as this could potentially make the patients identifiable.</p> <p>6. An all-age, BNSSG wide, system wide Dynamic Support Register is currently being developed. The Adult Commissioning Team at Bristol City Council are leading on this and are about to start a 16-month transformation project with the expectation that the new Dynamic Support Register will be live by end March 2025. It’s likely that this will involve a digital system whereby an individual, family or professional from any agency can flag someone as needing to be on the Dynamic Support Register.</p> <p>7. There is not a named Lead Commissioner for the DSR at this time. The Senior Responsible Officer (SRO) is the Chief Nursing Officer.</p>
