Subject: Low Secure Units for Patients with a Diagnosis of Personality Disorder or ASD

*I can confirm that the ICB **does not hold the information requested**; please see responses below:*

QUESTION	RESPONSE
Please can you provide me with a list of <u>low secure units</u> that accept patients currently detained under the Mental Health Act 1983 (as amended by the 2007 Act) who have a diagnosis of a Personality Disorder and a clinical likely diagnosis of Autism Spectrum Disorder. It would also be helpful if they could address neurodevelopmental difficulties and deliver the Good Lives Programme (risk programme for patients not necessarily accepting of the sexual offence).	BNSSG ICB does not hold this information. Please contact the trust directly: Avon & Wiltshire Partnership NHS Foundation Trust (AWP): awp.freedomofinformation@nhs.net https://www.awp.nhs.uk/contact-us/freedom-information
